

Steam-O-Rama

Ozarks Steam Engine Association

SWMO Early Day Gas Engine & Tractor Association, Branch 16

July 28, 2020

For immediate release:

The Board of Directors met tonight to discuss the 2020 Steam-O-Rama.

After a long discussion and looking at all aspects of the show, including club members, exhibitors bringing displays in for the show, food vendors, flea market vendors, and all of the different clubs that participate in making our show what it is, *the Board decided that cancelling this year's show due to the COVID 19 situation was probably the best for all involved.*

It is with heavy hearts that we will not be putting on a show for the first time in 59 years. All features will transition to next year.

There will not be an OSEA August meeting, but we do plan on having our October meeting. The location and date will be announced at a later date.

Mark your calendars for our 2021 Show dates: September 16-19, 2021.

Sincerely,

Charley Stark, OSEA President

Dean Voris, SWMO EDGE & TA Br 16 President
